# Benefits of Sea Buckthorn

**Skin Health and Rejuvenation:** Sea buckthorn is highly prized for promoting skin hydration, elasticity, and regeneration. It helps treat dryness, acne, and eczema, and is used to reduce the appearance of scars and blemishes.

**Immunity and Antioxidant Boost:** It is a potent source of antioxidants that protect cells from damage and boost overall immunity.

**Heart Health Support:** It acts as a cardioprotective agent, helping to manage blood pressure, reduce cholesterol levels, and prevent cardiovascular diseases.

**Digestive System Health:** The oil in the berry aids in maintaining gut health, reducing gastrointestinal inflammation, and assisting in treating ulcers.

**Eye Health:** Rich in Omega-7 and antioxidants (like beta-carotene and zeaxanthin), it helps lubricate dry eyes and protects the retina.
