Vision

To Inspire a Healthier & Wealthier World there Wellness becomes a natural part of Everyday life. Enabling individuals soar towards greater position in life style with **Financial Freedom, Balance & Purpose.**

Mission

- To Create High Quality Wellness focused products that supports holistic well being to promote a life style of financial stability for all affiliates joining our community.
- To continuously strive to innovate network marketing where **health, wealth & Happiness unite.**

Best sale of the day

What is
Sea Buckthorn
and
what are
its health benefits?

At Amazing Vitality , we believe that the best wellness solutions come directly from nature, handled with the utmost respect. We pair mindful cultivation with sustainable practices to bring you products that are as fresh as they are effective. By focusing on clean ingredients and transparent sourcing, we provide the foundation for a healthier, more vibrant way of living. For us, quality isn't just a goal—it's a promise kept through every intentional step we take.

Sea buckthorn is a nutrient-dense berry rich in vitamins (A, C, E), minerals, antioxidants, and rare Omega-7 fatty acids. Its primary benefits include promoting skin hydration and healing, supporting cardiovascular health by managing cholesterol, boosting the immune system, and improving digestion. It is widely used for anti-aging and anti-inflammatory properties.

Benefits of Sea Buckthorn

- **Skin Health and Healing:** High levels of omega-7 and antioxidants (like vitamin E) rejuvenate the skin, boost collagen production, and improve elasticity. It is used to treat eczema, acne, dry skin, and burns, and helps protect against UV damage.
- **Heart Health:** Sea buckthorn helps lower blood pressure and manage cholesterol levels (reducing LDL) due to its high phytosterol and antioxidant content, particularly Omega-7.
- **Immune System Support:** Packed with vitamin C, antioxidants, and flavonoids, it strengthens the immune system against infections.
- **Digestive Health:** It helps repair the gut lining and has been used to treat ulcers, acid reflux (GERD), and indigestion.
- **Liver Function:** It helps protect the liver from toxins and damage.

Eye Health: The oil helps reduce symptoms of dry eyes, such as inflammation and discomfort.

Nutritional and Medicinal Profile:

- **Omega Fatty Acids:** It is one of the few plants that contain all four Omega fatty acids: 3, 6, 7, and 9.
- **Rich in Vitamins:** Contains high levels of Vitamin C (significantly more than oranges), along with Vitamin A, E, and B-complex vitamins.
- **Antioxidants:** High in polyphenols, which fight oxidative stress.

Usage:

- Shake the Bottle well before Use
- Take 20ml - 30ml . Sea Buckthorn Juice
- Drink it Daily empty Stomach Preferably Morning & Evening.
- Mix It Well In 100 ml Water (warm water)
